

The screenshot shows a mobile navigation application interface. At the top, the status bar displays 'AR PERS...', signal strength, Wi-Fi, time '13:40', and battery level '61%'. Below the status bar is a navigation menu with buttons for 'Buscar', 'Cómo llegar', 'Ubicación actual', and 'Marcador'. The main map area shows a route from a starting point (marked with a blue snowflake icon) to the destination 'CIK Centro Integral de Kinesiología Lic Pablo Taborda' (marked with a purple pin). The route is highlighted in blue and green, passing through streets like Av Rivadavia, Av Gaona, and Av República. A blue information bar at the bottom of the map displays: 'Primera ruta de las 2 sugeridas', '42 minutos con tráfico - 33,5 km - Au. Acceso Oeste', and an 'Inicio' button. The Google logo is visible in the bottom left corner, and map data is attributed to ©2012 Inav/Geosistemas SRL.
